

CSC Finalizes Fixnetix Acquisition

Deal Accelerates CSC's Strategic Growth Plan in Capital Markets

FALLS CHURCH, Va., Sept. 25, 2015--[CSC](#) (NYSE: CSC), a global leader in next-generation IT services and solutions, today announced it has closed the [acquisition](#) of [Fixnetix](#), a leading provider of front-office managed trading solutions in capital markets.

The acquisition bolsters CSC's global infrastructure strategy and will advance CSC as a leader in providing managed services to capital markets firms throughout the world. Fixnetix is now a wholly owned subsidiary of CSC. Financial terms of the transaction were not disclosed.

Combining Fixnetix with CSC's next-generation IT platforms and IT utility services offers capital market clients an expanded range of as-a-service front office capabilities and addresses the growing client demand for greater efficiency and innovation in trading, market data and information systems, hosting, infrastructure, connectivity and risk management.

"We welcome the Fixnetix team to CSC," said Steve [Hilton](#), executive vice president and general manager, Global Infrastructure Services, CSC. "Together, we now have a unique opportunity to provide clients world-class global managed services for low-latency trading, market data, hosting and connectivity and risk management solutions. CSC is now at the forefront of emerging mission-critical trading systems technologies, giving our clients access to an expanded range of infrastructure capabilities."

Hugh [Hughes](#), CEO and chairman of Fixnetix, said "we are embarking upon the next exciting stage of our journey and we look forward to expanding our capabilities with existing clients, servicing new ones and delivering in new regions."

With headquarters in London, Fixnetix also has operations in New York, Boston, Chicago and Tokyo. For more information on Fixnetix, a CSC company, go to: www.fixnetix.com.
